EMPLOYMENT HISTORY

MCCAULEY LYMAN LLC, Framingham, MA

Principal, July 2012 - present

EDISON MISSION MARKETING & TRADING, INC.

(EMMT) (power marketing affiliate of Edison Mission Energy), Boston, MA

Vice President and Senior Counsel – 2000 – 2012

Senior attorney for various matters at EMMT and Edison Mission Energy, including:

- One of Edison Mission Energy's lead transaction counsels for all aspects of wind development activities, including acquisition of rights to, contract negotiation, construction of, and operation Edison Mission wind generation facilities throughout the United States, including the 30 MW Community Wind North facility in Lincoln County, MN, and the 55 MW Pinnacle facility in Mineral County, WV.
- Responsible for Federal Energy Regulatory Commission (FERC) matters for Edison Mission Energy. Successfully opposed Midwest ISO at FERC on a matter related to interconnection of the Community Wind North project, allowing the project to proceed to construction and operation.
- Responsible for negotiation of EEI, ISDA, broker agreements, and other power contracts.
- Negotiated settlement of and sale of claims in Lehman Brothers bankruptcy.
- Led transaction teams responsible for closing two transactions involving restructuring of qualifying cogeneration facility (QF) power sales agreements. Those transactions involved replacing QF contracts with alternate power supply arrangements, reducing costs for offtaking utilities, and involved innovative project finance structures. Responsible for ongoing management of these transactions, including restructurings forced by counterparty bankruptcies.
- General corporate matters, including internal investigations, corporate governance, real estate, vendor contracts, and personnel matters; supervision of substantial outside counsel teams.

CITIZENS LEHMAN POWER LLC/CITIZENS POWER, LLC, Boston, MA

Vice President and Counsel, 1996 – 2000

Led transaction teams responsible for closing four QF power sales agreement restructurings; assisted in closing of four others. Assisted with acquisition of Citizens Lehman Power by The Energy Group in 1997; Citizens Power by P&L Coal Holdings Corporation in 1998, and by Edison Mission Energy (and merger into Edison Mission Marketing & Trading) in 2000.

UNITED STATES NAVY, Various Locations

Lieutenant Commander, 1983 – 1993

Submarine Officer on the USS Shark (SSN-591) and the USS Buffalo (SSN-715); Naval ROTC Instructor/Assistant Professor at the University of Colorado (weapons and propulsion systems).
